

THE TINT FOR EVERYONE

ALL ROUND PROTECTION

A cutting edge tint perfect for cars of all shapes and sizes, your car will feel more comfortable than ever.

Charcool filters 99% of the sun's damaging UV rays, effectively reducing the fading of interior seats, carpets and trims.

Blocking scorching heat & annoying glare from entering through your windows, you and your passengers will feel the difference.

WHY CHOOSE CHARCOOL

Heat, glare and UV protection, Charcool covers the basics of window protection offering all you want in a tint.

Bonding firmly to glass, Charcool helps to hold shattered glass together when broken which means protecting you and others from flying glass during an accident.

Tinted windows also help to improve vehicle security, concealing your possessions from the view of could-be thieves.

99%

UV RAYS BLOCKED

Protect your family from the damaging effects of UV rays.

60%

GLARE REDUCED

Control annoying glare and enjoy safer driving.

40%

HEAT REJECTION

Block heat from entering through your windows, you'll feel the difference.

Looking for Peace of Mind?

All of Solartint's automotive window films are 100% backed by a manufacturer's lifetime warranty*

*Warranty terms, conditions and exclusions apply.
